# 6<sup>th</sup> Biennial 2018 Scientific Meeting

*~Delivering Better  
Relief for Cancer Pain~*

**Sponsorship Prospectus**

Dear Industry Partners,

On behalf of the Malaysian Association for the Study of Pain and the Organising Committee, I am pleased to invite you to support the 6<sup>th</sup> Biennial Scientific Meeting 2018, which will be held from 17 to 18 March 2018 at the National Cancer Institute, Putrajaya. The theme of the 2018 meeting is "**Delivering Better Relief for Cancer Pain**".

The organizing committee hopes that this meeting will provide a forum for multidisciplinary practitioners to present and discuss on the most recent and relevant evidenced-based treatment and best practices in managing cancer pain, all of which aims to improve quality of care for patients.

This scientific meeting will bring together doctors and allied health care professionals, academics and researchers from diverse healthcare disciplines that manage patients with cancer pain. We will be inviting distinguished international and local speakers and estimate an attendance of over 200 delegates in this 2-day meeting.

We invite you to come forward and contribute to this meaningful event. This also offers opportunities for your organisations to showcase and educate your products and services and to enhance your organization's profile by networking with the important target audience.

In this exhibition pack, you will find details of the meeting together with exhibitor and sponsorship packages.

If you have any questions, please feel free to contact MASP secretariat, Sook Huey at [maspsecretariat@gmail.com](mailto:maspsecretariat@gmail.com).

Thank you and we look forward to your participation in this meeting.

Yours Sincerely,

Dr. Mary Suma Cardosa  
President  
Malaysian Association for the Study of Pain
